BUSINESS PROFILE

A non-profit organization that provides and connects African Arts & Culture that promotes jobs and arts education that influence healthy living and intergenerational legacy. We create and offer options for personal development and academic success through the study of African culture, music song, and dance.

BUSINESS GOAL

Having a succession plan that increases revenue.

Key Needs & Challenges

- Marketing
- Outreach
- Covid social distancing
- Funding to sustain our 2021 programming and marketing interns.

Community Impact

ADEFUA provides an inter-active Cultural and Cultural Arts Experience to the entire community.
