

# MAMA C'S BISSAP TEAS

SEATTLE, WA

## Carol Solomon Homemade Hibiscus Tea

- A preschool teacher for the past 20 years. Work with children and keep them on task with their daily school work

## BUSINESS PROFILE

Make organic hibiscus-based teas that can be consumed cold or hot. Currently have 3 different flavors of Bissap tea, however, they all have a hibiscus base.

## BUSINESS GOAL

To bottle and sell organic Bissap teas to supermarkets, health food stores and food co-ops once the nutrition label is set. Also, to own a bottling factory to bottle the teas.

## Key Needs & Challenges

- A nutritionist to create a food-grade label
- Buying the organic ingredients in bulk at a cost effective price
- Finding a bottling factory to mass produce the teas

## Community Impact

I plan to hire people in my community to work at my bottling company, delivery, marketing, and website design.
