BUSINESS PROFILE

Fine is mentality, lifestyle and community. We are out to change the outlook on health and encourage complete wellness with physical and mental transformation.

BUSINESS GOAL

To be a powerhouse for all things wellness so our clients can come and get whatever help they seek to have a healthy lifestyle. We provide lifestyle coaching, fitness training, and nutrition guidance. The apparel is a bonus.

Key Needs & Challenges

- Expanding customer reach
- Access to capital
- Certification (need to take assessment)
- Challenges: COVID restrictions

Community Impact

I believe with the success of my business I can change what the face of fitness looks like in my community- encouraging more people of color to get engaged in their health and educate them on how. I would love to host more community events, giveaways, and educating content.
