

URBANIMPACT MINISTRY METHODOLOGY

PHILOSOPHY / THEOLOGY / PRACTICE

#1 ENGAGE IN RELATIONSHIP

We go, initiate, develop presence, build relationships, live among, shop local, serve, get to know the community, suspend judgement

Holy Spirit, where are you at work?

Our Role / Response - Being Christ's Presence

#2 LISTEN TO COMMUNITY

We listen for felt needs, gather + connect with people, build trust, earn right to be heard, discover assets, discern needs to address, where can we serve best, synergy needs / assets. What are we learning from the community? What can we address together?

Holy Spirit, what are the real needs? How are we living apart from God's design?

Our Role / Response - Introduce Jesus and His Kingdom

#3 BUILD OPPORTUNITIES + CREATE SOLUTIONS

We partner with families + communities, we do with not for, respect the dignity of all peoples, take risks, work creatively, we create approaches to address felt needs and work toward opportunities to address real needs, engage in solutions to address systemic poverty

Holy Spirit, how do we present + represent Jesus + God's kingdom?

Our Role / Response - Invite folks to church and into community

#4 DEVELOP LEADERS

We are committed to indigenous leadership, leaders of color, emerging community leadership, invest in developing people to grow our work in community, take risks on people, discerning God's direction through others ideas and perspective in community change.

Holy Spirit, are we making disciples of Jesus?

Our Role / Response - Discipling leaders in partnership with the church
